

GOT 5 MINUTES?

**LET'S TALK ABOUT
DEMOCRACY!**

**WE ASKED
THE PEOPLE
OF ATHENS...**

WHAT ARE
THE FIRST
WORDS THAT
COME TO
YOUR MIND
WHEN YOU
THINK ABOUT
DEMOCRACY?

freedom
ancient
greece
voting
Greece
peaceful
resolution
fairness
equality
choice
it doesn't exist
capitalism
human rights
independence
equity
power to the people

DO YOU FEEL
FREE WHEN
IT COMES TO
CHOOSING
YOUR LIFE'S
PATH?

No,
opportunities
are based on
socioeconomic
background

not really

more or less

No, because I
believe the
government can
impose its will

Partly free, due to economic reasons

i feel 70% free
because of social
pressure and
standards

No, due to
economic
reasons

Yes, even though
there is an
orientation by
the state, the
family and
society in
general

Not really, because of
social standards

DO YOU FEEL
LIKE YOU
HAVE ANY
POWER AS A
CITIZEN?

Yes, I have the right to
vote

No, I am too young
to vote and have no
other way of
participating

Yes mostly because
of freedom of
expression

Yes because I
can participate
in elections

no, power is in
the hands of just
a few people

No, I would like to be able
to vote by the time I turned

16

No, I don't believe that an
individual can make change

If you want, you can
have power

yes, because
my vote still
counts

Yes, but I think
voting is not
enough

WHAT
WOULD YOU
NEED TO BE
MORE
POWERFUL?

Greater social
and political
awareness, more
ways to be
involved with my
community

More
referendums

Participation of
youth in politics

Mass mobilization

A more representative
government

A greater
gravity put on
the vote and
more
referendums

more youth organizations

More
opportunities
for youth

Deliberative Democracy
