

GOT 5 MINUTES?
LET'S TALK ABOUT
DEMOCRACY!

WE ASKED THE
PEOPLE OF SHOSTKA
(UKRAINE) ...

WHAT ARE
THE FIRST
WORDS THAT
COME TO
YOUR MIND
WHEN YOU
THINK ABOUT
DEMOCRACY?

power of people

huge changes

changes

equity

freedom

freedom

nothing comes to my mind

equality

freedom

I know
nothing
about
democracy

DO YOU FEEL
FREE WHEN
IT COMES TO
CHOOSING
YOUR LIFE'S
PATH?

no, there are many
social frames which
restrict my freedom

no, a possibility
of terrible
outcomes
restricts my
choice

no, the war
restrains my
freedom to
choose my life`s
path

not always because
we have to abide by
law too

not always because
of my profession (a
soldier)

yes!

Yes, we can do
everything freely, be it
university admission or
marriage

Yes!

yes! I feel free in
my country in spite
of many structural
problems we have

Yes, I feel free

DO YOU FEEL
LIKE YOU
HAVE ANY
POWER AS A
CITIZEN?

Fifty-fifty; actually, I have
voting rights and thanks
to it I can exercise my
political power

Yes, I can affect
politics by voting

No, we don't have any
power as citizens

Yes!

Partly; corruption is a
problem but generally I
am powerful as a
citizen

No, I don't occupy high
positions, so I don't have
any power except for
voting rights

I don't need
political power

Yes

No, I am not an official
to have any power

Only through
elections

WHAT
WOULD YOU
NEED TO BE
MORE
POWERFUL?

spreading knowledge
about history of our
country, informational
awareness

to get a higher
position in social
hiarachy

More freedom of speech,
maybe

Money and a
higher social
status

Upbringing based
on thr european
values, more
democracy

to hold high office

We should transfer working
methods of engaging citizens
from Europe to our country,
the same is for reforms in
lots of other spheres

to have a
higher social
status

Money

I don't know

**WILL
UKRAINE
JOIN THE EU?
WHEN?**

Definitely.
Within 7-8
years

Yes, as soon as
the war ends

Yes, within 5
years

Ukraine is already in the EU

Yes, in the
coming
Autumn

Yes, when we
win

Yes, but who
knows when

Yes, next year

Yes, as soon as the war
ends

BEYOND THE FRAMEWORK OF THE OCDDT QUESTIONS, A MAJORITY OF THE CITIZENS COMPLAIN ABOUT AMERICA AND EUROPE WHO SEEM RELUCTANT TO INCREASE THEIR ARMAMENTS SUPPLIES TO UKRAINE. NO MATTER WHERE AND WHEN YOU MEET A PERSON IN UKRAINE, HE OR SHE WILL TALK ABOUT THE NECESSITY OF MORE SIGNIFICANT MILITARY SUPPORT TO WIN THE WAR AND PROTECT FREEDOM. UKRAINIANS ASK THE DEMOCRATIC WORLD NOT TO ABANDON THEM.

SLAVA UKRAINI. GLORY TO UKRAINE!
