

**GOT 5 MINUTES?**  
**LET'S TALK ABOUT**  
**DEMOCRACY!**

**WE ASKED THE PEOPLE OF KADUNA**  
**STATE UNIVERSITY, NIGERIA**

WHAT ARE  
THE FIRST  
WORDS THAT  
COME TO  
YOUR MIND  
WHEN YOU  
THINK ABOUT  
DEMOCRACY?

freedom

leadership

people

greed

representation

people

peace

rights

power

corruption

equality

DO YOU FEEL  
FREE WHEN  
IT COMES TO  
CHOOSING  
YOUR LIFE'S  
PATH?

**yes, as a citizen of Nigeria, I  
have freedom to do things**

yes, because I don't  
feel intimidated by  
anyone

yes, I wish to live a normal life and I can  
handle things by myself

yes, it is my  
decision

no, because my family  
has a strong influence  
on my decision

**Yes, I feel its my life**

DO YOU FEEL  
LIKE YOU  
HAVE ANY  
POWER AS A  
CITIZEN?

yes, I feel I have  
power if I am  
someone who can  
be recognized  
and be voted for

Yes, I do because I feel I  
have the rights to do what  
I want

No, I don't because I feel limited in doing some things in Nigeria

I don't feel I have any power, I am a just  
a citizen without democracy

Yes, I have the power to  
decide on what to do

No we don't have a say, we  
voted but we don't have power

No, I don't feel I have power  
due to corruption in Nigeria

WHAT  
WOULD YOU  
NEED TO BE  
MORE  
POWERFUL?

The way i think,  
how I see things -  
my perception

**corruption should be  
completely eliminated**

Corruption would need  
to be addressed

**schools should be affordable and  
available to the poor as well**

more equality. in Nigeria the rich are  
enjoyin while the masses are suffering

old leaders should be changed  
and new ones elected to  
understand youth priorities

**Government should stop  
been selfish, create job  
opportunities**

**To be very  
educated**

**Government should give  
everyone his/her rights  
to exercise**

WHAT ARE THE  
FIRST 3 WORDS  
THAT COME TO  
YOUR MIND  
WHEN YOU THINK  
ABOUT ARTIFICIAL  
INTELLIGENCE?

fast  
technology  
creativity  
modernisation  
smart  
internet  
knowledge  
robots  
distraction  
electronics

DO YOU THINK AI  
WILL HAVE AN  
IMPACT ON  
DEMOCRACY?

it will help during elections and counting, elections can be computerized for online voting

yes, when it comes to elections, it will eliminates election rigging

yes, it gives answers to questions and citizens can voice out for everyone to see globally

Yes, it has impact on democracy, it will affect my job and economy.

It will not benefit and it is a two-edged sword during elections

yes because communication will change
