

GOT 5 MINUTES?
LET'S TALK ABOUT
DEMOCRACY!

WE ASKED THE PEOPLE OF
KISUMU, KENYA

WHAT ARE
THE FIRST
WORDS THAT
COME TO
YOUR MIND
WHEN YOU
THINK ABOUT
DEMOCRACY?

riots

court

election

representation

love

peace

human rights

justice

egovernance

constitution

freedom

police

rights

fairness

DO YOU FEEL
FREE WHEN
IT COMES TO
CHOOSING
YOUR LIFE'S
PATH?

Yes, because I have power to do what I
have or I want as a Kenyan.

Yes, It's my decision on, I
get to choose which way
my life goes

Yes, because it's
my right

No, I don't feel free
because there is no
equal right to
opportunity to each and
every person

Yes, because of
democracy, Democracy
allows citizens to have
powers and their rights
of freedom

Yes, I do
what is good
for me

Yes, at the end of the
day, it's my life but at
the same time choices
have consequences so I
always have that in
mind.

DO YOU FEEL
LIKE YOU
HAVE ANY
POWER AS A
CITIZEN?

Not really, you can't
get justice very easily,
everything is all about
corruption

Yes, because I know my
right and freedom as a
citizen

I do not have much
power since as a citizen
we are not involved in
Government operations

Yes, I have power but my power is
being pressed down by the people
in power and the police

Yes. I Have rights
as a citizen that I
get to exercise

Yes. According to our
Constitution, all
sovereign power
belongs to the people
and I can exercise them

No, because we always
vote for the leaders that
does not bring us
development, they lie
during the campaign.

WHAT
WOULD YOU
NEED TO BE
MORE
POWERFUL?

Police Reforms, end of
police brutality

I must know my rights
and stand firm on them

my mindset

I could change my
Behaviour in the
community

The power and decision-making
should belong to people as
stipulated in the constitution
chapter one, it is just written.

Equal Opportunity to each
individual to express themselves
freely and be heard, freedom of
expression

The corruption state in
my country, when you
don't have money or
can't easily exercise your
powers.

DO YOU THINK AI
WILL HAVE AN
IMPACT ON
DEMOCRACY?

Yes, Elections are
not transparent
they can be easily
manipulated.

yes unemployment
driven by AI could
fuel populism

I don't know

Yes, a good way to Eliminate
biases," AI" doesn't have
favorites. Free and fair

- Yes, Information can
be manipulated very
easily

yes and it will reduce
beaurocracy

Yes, might help people make
better desition rather than
taking advantage of the
biases to maximize profits, it's
not self-Centered.
