

GOT 5 MINUTES?

**LET'S TALK ABOUT
DEMOCRACY!**

WE ASKED THE PEOPLE OF

ATHENS

WHAT ARE
THE FIRST
WORDS THAT
COME TO
YOUR MIND
WHEN YOU
THINK ABOUT
DEMOCRACY?

Impact of society
on the decision,
voice in hands of
people

Freedom, free
speech, rights

**People, decisions,
government**

Freedom and capitalism

Freedom

DO YOU FEEL
FREE WHEN
IT COMES TO
CHOOSING
YOUR LIFE'S
PATH?

Yes

Yes, but a bit
complicated in
Lebanon

80 percent, have some
doubts (no legal ways
sometimes)

Yes

No, constraints on
the country where
you live in (Russia
or China differs
from France)

DO YOU FEEL
LIKE YOU
HAVE ANY
POWER AS A
CITIZEN?

Not really, some
things that
happen anyway if
I decide support
or not, so not
really

**I think so, in
Egypt too**

**No at
all**

The longer I live, the less
I believe in it

Depends on matter

WHAT
WOULD YOU
NEED TO BE
MORE
POWERFUL?

In our society
money

The government, and
people's mentality,
dependent on government,
people live in the past

Justice for all the people, end poverty in
the world

Politicians should listen
more to the people,
their demands,
everyone should have
their rights respected
by everyone

Some faces, new people on political
scene; only 2 parties that really
matter, should be something new;
fresh faces in Polish government
